SPONSORSHIP PROPOSAL

Project Title:

Growing Hope: Creating Safe Spaces and Opportunities for Vulnerable Children and Families

Prepared by:

Trees of Life Pasting Community Centre

NPO Registration Number: NPO 324-472

PBO Status: SARS Approved Public Benefit Organisation

1. Executive Summary

Trees of Life Pasting Community Centre is a registered non-profit organisation committed to improving the lives of vulnerable children, youth, families and communities through Early Childhood Development (ECD), child protection, psychosocial support, youth development and community outreach programmes.

Our organisation exists to create safe, supportive environments where children can learn, grow and thrive while families receive assistance and encouragement to overcome social and economic challenges.

As a growing community organisation, Trees of Life Pasting Community Centre is seeking strategic partnerships with donors, corporates, foundations and individuals who share our vision of building stronger communities and creating opportunities for vulnerable children.

We are requesting support towards establishing a safe ECD learning facility, acquiring a service vehicle for community outreach, and strengthening our programmes through resources and operational support.

2. About Trees of Life Pasting Community Centre

Trees of Life Pasting Community Centre was established to respond to the needs of vulnerable children, families and community members who require support, protection and opportunities for development.

Our approach focuses on creating meaningful change through:

- Early Childhood Development

6. The Need for Support

Many children in disadvantaged communities face barriers that affect their ability to learn, develop and reach their full potential.

Challenges include:

- Limited access to safe learning spaces
- Lack of educational resources
- Food insecurity
- Vulnerability to social challenges
- Limited access to support services

Trees of Life Pasting Community Centre aims to address these challenges by creating a safe environment where children and families can receive meaningful support.

7. Sponsorship Request

A. ECD Classroom / Educational Container Facility

We are seeking sponsorship for an Early Childhood Development classroom facility that will provide children with a safe, structured and nurturing learning environment.

The facility will assist us with:

- Daily ECD activities
